FOIA Request Number: 2013-09-038

Dear Mr. Morisy:

On September 9, 2013, the Office of the Chief Counsel of the Bureau of Engraving and Printing (BEP) received your Freedom of Information Act (FOIA) request under 5 U.S.C. §552 on behalf of MuckRock News to obtain any list or index of BEP Circulars. As a representative of the news media/press, you requested a waiver of fees to process your request because the request is in the public interest and will be made available to the general public free of charge as part of the public information service at MuckRock.com. For tracking purposes, we have assigned your request FOIA Request No. 2012-09-038.

The Office of the Chief Counsel will make every effort to respond to your request within twenty (20) working days of receipt. If a response to your request cannot be made within this time frame, you will be notified of the reason for the delay and we will provide an approximate date when your request will be satisfied.

If the information you are requesting includes records furnished by other Federal agencies or has been classified, the information will be referred to the originating agency for determination in accordance with the FOIA. You will be notified if the information requested is referred to another agency.

For a request for records pursuant to the FOIA, the BEP charges news media, fees related only to duplication. The first 100 pages will be duplicated without charge. A charge of \$0.20 per page for standard duplication will be charged for each page over 100. The BEP does not charge a fee if the total cost of processing a FOIA request is \$15.00 or less. The justification you provided to request a fee waiver meets the criteria provided for in 5 U.S.C. §552(a)(4)(A)(iii) and Department of the Treasury disclosure regulations at 31 C.F.R. §1.7(d)(1). Therefore, BEP has granted your request for waiver of fees.

If you have any questions regarding your request, please contact me at (202) 874-2500 or fax at (202) 874-2951.

Sincerely,

Leslie J. Rivera-Pagán
Disclosure Officer
